ABOUT THE STUDENT CHAPTER

The IChE HIT Student Chapter serves as the technical student body of the Department of Chemical Engineering, Haldia Institute of Technology. It provides a platform for students to enhance their technical knowledge, develop professional skills, and actively participate in activities that bridge the gap between academics and industry. Through seminars, workshops, industrial visits, alumni interactions, technical competitions, and awareness programmes, the chapter encourages innovation, teamwork, leadership, and overall professional development among Chemical Engineering.

This report presents the team members, the activities conducted during the academic session 2025–2026, and the future plans of the IChE HIT Student Chapter.

IICHe HIT SC EVENT REPORT (2025–2026) :-

During the academic session 2025–2026, the IICHe HIT Student Chapter successfully organized several technical, professional, and social events that promoted innovation, industrial exposure, leadership, and holistic student development.

1. Hues-e-Azadi 3.0

•Date: 15 August 2025

Participants: 200

An inter-college creative competition celebrating Independence Day through poetry, creative writing, sketching, photography, and videography. The event encouraged patriotism, creativity, and responsible citizenship while providing students with an opportunity to express patriotism through art and creativity while promoting confidence, imagination, and responsible citizenship.

The poster for 'HUES-e-AZADI 3.0' features a central QR code with the text 'REGISTER HERE' below it. Surrounding the QR code are six circular icons, each representing a different category: a palette for 'ART OF INDEPENDENCE (SKETCH/PAINTING)', an open book for 'VERSE OF VALOR (POETRY)', a video camera for 'FREEDOM IN MOTION (VIDEOGRAPHY)', a camera lens for 'SNAP OF SOVEREIGNTY (PHOTOGRAPHY)', a quill pen for 'ECHOES OF FREEDOM (CREATIVE WRITING)', and a gear for 'SNAP OF SOVEREIGNTY (PHOTOGRAPHY)'. At the top, two institutional logos are displayed. The bottom section includes the text 'OPEN FOR ALL DEPARTMENTS !!', the 'LAST DATE OF SUBMISSION' as '18TH AUGUST, 11:59 PM', and contact information for queries: SUMAN CHATTERJEE (9279137056), ABHINAV MAITI (8597671746), and MOUPRIYA SAHA (8327805933). Social media handles for iiche.hit.sc are listed at the very bottom.

2. Industry Connect

Dates: 22 August, 2 September & 9 September 2025

•Participants: 150

A three-day industrial interaction series featuring alumni and industry experts. Sessions focused on industrial practices, petrochemical processes, GATE preparation, interview skills, career planning, and professional development.

3. Wall Magazine – “Excess Entropy”

Date: 18 September 2025

•Participants: 50

The department inaugurated its wall magazine themed “Destiny to Sustainability.” Students presented innovative ideas on carbon footprint reduction, carbon capture, green technologies, and sustainable development using eco-friendly materials.

4. Alumni Talk

•Date: 19 November 2025

•Participants: 120

Mr. Rupesh Sarkar delivered an insightful lecture on the fertilizer industry, nano-fertilizers, industrial operations, and future career opportunities for chemical engineers.

5. Chem Pentathlon 2025

•Dates: 19–20 November 2025

•Participants: 150

The event featured technical competitions including Word Alchemy (creative writing) and Think Tank (group discussion), promoting analytical thinking, teamwork, communication, and technical creativity.

Naturegenix workshop	August
Departmental Wall Magazine	September
Chem Pentathlon	November
Chem Fable	February
Recruitment Drive	February
Chemo-Fest (seminar & workshop)	March
Plantation Day	To be announced
Yoga Day	To be announced
Alumni Talk/ Pre Placement Preparation Talk	To be announced
Industrial Visit	To be announced

Objectives of the Future Plan :-

- To organize more technical workshops and seminars for enhancing practical knowledge.
- To strengthen collaboration between academia and industry through industrial visits and alumni interactions.
- To encourage creativity, innovation, and teamwork through competitions and technical events.
- To improve students' placement readiness through career guidance programmes.
- To promote environmental awareness and social responsibility through Plantation Day and sustainability-related activities.
- To encourage holistic development by organizing health and wellness programmes such as Yoga Day.
- To increase active participation of students in departmental, institutional, and national level IICHe activities.

The IICHe HIT Student Chapter remains committed to promoting technical knowledge, innovation, and professional growth. With the support of the department, faculty, and students, the chapter looks forward to organizing more impactful activities for the overall development of future chemical engineers.
