THE HIT Story

Three Decades of Building Engineers, Leaders and Innovators.

CHAIRMAN'S MESSAGE

Haldia Institute of Technology was established with a simple belief that quality engineering education can transform lives, families, industries and nations.

For nearly three decades, HIT has empowered students to become innovators, leaders, entrepreneurs and responsible citizens.

As technology reshapes the world through Artificial Intelligence, automation and digital transformation, HIT continues to evolve, preparing students not merely for jobs, but for meaningful careers and lifelong success.

WEST BENGAL'S FIRST PRIVATE ENGINEERING COLLEGE · EST. 1996

JOURNEY OF HIT

PREPARING ENGINEERS FOR THE AGE OF AI

At HIT, we believe the future belongs to those who create it. Our AI-enabled ecosystem, advanced labs, research culture and industry connect ensure our students are future-ready and globally relevant.

Our mission is simple:
Create engineers who lead technology, not
engineers replaced by technology

THE FUTURE IS BUILT HERE.

At HIT, students don't wait for the future to arrive.
They design it, build it, test it and launch it.

A Legacy of Industry Trust For over two decades, leading national and international organizations have partnered with Haldia Institute of Technology for campus recruitment, internships, industry collaborations, and talent acquisition—reflecting HIT's strong industry connect and commitment to career excellence.

AI INNOVATION ARENA @ HIT

THE AI INNOVATION ARENA

HIT's flagship applied-AI programme in association with AI for Everyone — where every engineer becomes AI-ready and the best become founders.

WHAT EVERY STUDENT GETS

A 50-hour applied AI programme across 17 modules (M0–M8)

THE SCALE

2,500+
STUDENTS
TRAINED

700+
in the 2026 cohort

EXPERIENCE
INNOVATION
ARENA

REAL STUDENT-BUILT AI PRODUCTS (2026 ARENA):

THE 12-MONTH COMMITMENT (after the finale): Continuous mentorship, production cloud credits, incubation pathway with HIT's MSME centre, seed-stage capital for teams with product-market fit.

BUILT AT HIT

Where ideas become working prototypes — and prototypes become companies.

HIT AICTE IDEA LAB

An AICTE-backed initiative fostering creativity, innovation and hands-on technical skills — an experiential environment where students solve real-world problems using advanced technology.

Maker infrastructure: Maker infrastructure: Embedded Systems & IoT, 3D Printing, 3D Scanning, Wood Cutting Router, CO₂ Laser Cutting, CNC Milling Machine, PCB Milling Machine

Activities: mentor workshops, faculty & student development programmes, industry awareness sessions, student internships, school-outreach open days

MSME-HIT INCUBATION CENTER An entrepreneurship and innovation support programme, established after HIT was recognised as a **Host Institute by the Ministry of Micro, Small & Medium Enterprises, Government of India**. It functions as a Business Incubator — providing aspiring student and MSME entrepreneurs with infrastructure, mentorship, laboratory space and support to turn ideas into viable ventures.

Funding: up to ₹15 Lakhs for idea implementation · up to ₹1 Crore for plant & machinery — plus development, commercialization and registration guidance.

SELECTED MSME IDEA HACKATHON PROJECTS (2022-5.0):

- ◆ Payel Chatterjee — Guardian Gem: IoT-based women's safety band
- ◆ Radharani Das — SiO₂ nano-powder from rice husk (crop residue-industrial use)
- ◆ Shashi Biswas — Biodiesel from repurposed used cooking oil (RUCO)
- ◆ Pijus Kanti Khatua — Low-cost composite door from renewable jute & bamboo

WHY IT MATTERS:

HIT is NBA-accredited across all departments, NAAC 'A' graded, and ranks second among all private engineering institutes in West Bengal — an institution where innovation is funded, mentored and built on campus.

Industry–Academia Relationship

Industrial Projects

Name of Project / Consultancy	Funding Agency	Principal Investigator & CoPI	Dept. Involved
Study of Tribological Behavior of Electroless Nickel Alloy and Poly-Alloy Coatings	CSIR	Dr. Supriyo Roy (PI), Dr. Goutam Kumar Bose (Co-PI)	ME
Investigation of reaction rate of the nuclear reaction $^9\text{Be}(\alpha,n)^{12}\text{C}$ at the time of type 2 supernova explosion	CSIR	Dr. Dibyadyuti Pramanik	SASH
Microgel of sugar based heteroaromatic moieties: Synthesis, Mechanism of gelation, antibacterial potency and computational study	SERB (TARE) 27.01.2023	Dr. Gourisankar Roymahaopatra, Mentor: Dr. Jhuma Ganguly, IIST-Shibpur	SASH
Development of advanced dashboard for PV power generation and auto-classification of the EL images	SunKconnect Pte.Ltd., Singapore 05.06.2023	Dr. Biswajit Mandal	CHE
Study and suggest Coke tray base plate MOC for TATA Steel HMC Division Haldia	TATA Steel Haldia 05.05.2023	Prof. Goutam Kr. Bose	ME
The Data-Driven Agriculture Model to Mitigate Climate Change Impact on the Rice Crop in Indo ASIAN countries	ASIAN-India S&T Development Fund(SERB) 22.03.2024	Dr. Arindam Giri	CSE
Rooftop solar photovoltaic deep neural network controller-based vector control PMSM drive system for modern multipurpose agricultural application	ASIAN-India S&T Development Fund(SERB) 22.03.2024	Dr. Arindam Giri	CSE

LIFE BEYOND ACADEMICS

STUDENT LIFE & SOCIAL IMPACT

At Haldia Institute of Technology, education extends beyond academics through a dynamic ecosystem of social initiatives, professional societies, media platforms, cultural organizations, and student-led communities. Students actively engage in blood donation camps, environmental drives, community outreach programs, disaster relief activities, and sustainability initiatives, developing leadership, teamwork, and social responsibility.

ELIGIBILITY SNAPSHOT

Programme	Eligibility
B.Tech (Regular)	10+2 with PCM • Min. 45% (40% SC/ST) • WBJEE / JEE Main
B.Tech (Lateral) 2nd year B.Tech (Lateral Entry) (10% off Actual sanction intake)	Diploma in Engineering • Min. 45% (40% SC/ST) • JELET
M.Tech	Relevant B.Tech / B.E. • GATE / PGET
MCA	Graduation with Mathematics (10+2 or UG) • WB-JECA
MBA	Any Graduation • WB-JEMAT / MAT / CMAT

INTERNATIONAL STUDENTS WELCOME

HIT welcomes students from SAARC nations, Afghanistan and across the globe into its B.Tech programmes through a dedicated international admission route.

Support at every step

- ✓ visa documentation
- ✓ FRRO registration assistance
- ✓ bank account & local SIM help
- ✓ local guardian arrangement

Anti-Ragging Policy at HIT

Ragging is strictly banned at Haldia Institute of Technology as per Supreme Court and UGC guidelines. The institute follows a zero-tolerance approach toward all forms of ragging—physical, verbal, emotional, or cyber. Strict disciplinary action, including suspension or legal proceedings, will be taken against offenders. HIT is committed to maintaining a safe and respectful environment for all students.

As per government norms, all students and their parents/guardians must submit signed anti-ragging affidavits. These must be attested by an Oath Commissioner and submitted at the time of registration. Affidavits confirm awareness of anti-ragging laws and their consequences. This step ensures a campus culture of dignity, safety, and mutual respect.

Institute Anti-Ragging Committee

The committee ensures a safe, ragging-free campus through awareness drives, counselling, monitoring, and preventive actions.
