

The Department of Mechanical Engineering received the prestigious recognition by AICTE for holding the **SPICE** scheme to invigorate and establish student clubs, chapters, and societies as an institution that facilitates the pursuit of personal interests, artistic endeavors, talent exhibition, networking and cooperative opportunities, social experience, development of organizational and management abilities, exposure to professional ethics, etc. The following events are conducted under **SPICE scheme of AICTE**:

- Drone with “AI” 30-03-2023
- “Creative Performance” 18-03-2023
- “Indian Karting Championship Season 5” from 14-02-2023 to 17-02-2023
- “Introduction to racing vehicle” 15-02-2023
- “Application of Innovation & Creative Thinking in Industry” 10-02-2023
- Mechanovision (Technical presentation on creativity and innovation) 16-08-2022
- Art Event from 14-09-2022 to 15-09-2022
- One day interactive talk on values and ethics in Industry, 25-08-2022

The Department has got Membership of professional societies like;

- **Society of Automotive Engineering (SAE) organized:**
- Two day workshop on “Introduction to Racing Vehicle”, 15-16th Feb, 2023
- Two day workshop on hands on practice for vehicle repair and service, 12-13th May 2022
- One-day workshop on “Ergonomics in the Automotive Design Process”, 10th Feb 2021.

- Indian Society of Heating Refrigeration and Air-conditioning Engineers (ISHRAE) (From: 31st August 2016) **organized:**
- One-day workshop on ‘Recent Trends in Refrigeration’, 10th April 2023
- Webinar conducted on “Opportunities for Mechanical Engineers in HVAC and refrigeration Domain”, 30th March 2022
- One-day workshop on “ Water and air-cooled chillers”, 16th April 2021
